IFATCA Membership Update

IFATCA Office

Dear Member Associations:

IFATCA Executive Board would like to inform the status of the membership of some Member Associations.

Angola

At conference in Bali 2013 the Directors approved the termination of Angola (Associação Angolana de Controladores de Tráfego Aéreo) and record a debt of \$1,374.62. (resolution A20)

In July a new president of AACTA, Nuno Kakumba, informed the office and EVP AFM about problems inside the association. They were not able to pay membership fees on time, as the bank required two signatures from the Board members, but the previous board was not active and had communication problems. Now with a new board and improved communication the association has been able to pay the outstanding fee and a membership fee for 2013/2014. The association shows its commitment to stay as full member of IFATCA and would like to offer to host a regional meeting in Luanda in 2015. The Executive Board will propose to the Directors to revisit the resolution and overturn it at the beginning of the next conference 2014, during the Opening Plenary, which will give Angola immediate rights at conference.

France

In 2012 our French member informed Executive Board that due to the problems with their management and lack of support they voluntarily withdrew their membership with IFATCA

Colombia

In February 2012 a member association from Colombia Asociacion Colombiana de Controladores de Tránsito Aéreo (ACDECTA) informed the Executive Board that they voluntarily withdrew their membership with IFATCA.

Information Papers will be submitted for the Committee A discussion.

IFATCA Manual page 2251

5.1. Voluntary Withdrawal

5.1.1. The six month notice period for notice of voluntary termination, as referenced in Article 70 of Swiss Law, is tied to the financial year of the Federation. Thus a Member Association, Corporate Member or Associate Professional Member wishing to resign shall ensure that the IFATCA Office has received notice not later than the 30th day of November at midnight. (Nicosia 77.A.26; Amended Kaohsiung 06)

5.1.2. An Honorary Associate Member may resign at any time by giving written notice to the IFATCA Office. Termination shall take effect immediately upon receipt of such notice. (Taipei 97.A.26)

5.1.3 Where a Member Association, Corporate Member, or Associate Professional Member indicates they wish to resign their membership in the Federation between December 1 and the opening of Annual Conference, the Executive Board shall produce a Working Paper advising Directors of such. The Working Paper shall contain a Draft Recommendation (either in the affirmative or the negative) being the Executive Board's recommendation to Directors concerning a means to alleviate the subsequent fiscal year's debt of the Member Association, Corporate Member, or Associate Professional Member. (Bali13. A.10)

ICAO SLEDs: Register of State Letters

The only way most controllers can respond to ICAOs' proposed changes is through IFATCA's 'observer status' with ICAO. All ICAO State Letters (SLEDs) sent to IFATCA are forwarded to our Member Associations through the IWEN and our MAs can respond to the IFATCA CONTACT listed in the 'REGISTER OF STATE LETTERS' in IWEN. You, the MA, can consider the State Letters and forward your view to the IFATCA contact by the date in the 'REPLY TO/BY' date column. These views will be collated by the Executive Board and included in the preparation material for our response to ICAO; allowing us to have a broader cross-section of views from the ATC community as well as providing MAs with this unique opportunity.
