ICAO SLEDs: Register of State Letters

The only way most controllers can respond to proposed changes is through IFATCA's status with ICAO. All ICAO State Letters (SLEDs) sent to IFATCA are forwarded to our Member Associations through the IWEN and our MAs can respond to the IFATCA CONTACT listed in the 'REGISTER OF STATE LETTERS' in IWEN. You, the MA, can consider the State Letters and forward your view to the IFATCA contact by the date in the 'REPLY TO/BY' date column. These views will be collated by the Executive Board and included in the preparation material for our response to ICAO; allowing us to have a broader cross-section of views from the ATC community as well as providing MAs with this unique opportunity.
